

Vetrospace thrives the Eurocres ActiveOffice® AWARD and Archiproducts competitions

Vetrospace's PhoneSpace has earned Top Product certification at ORGATEC fair's Eurocres ActiveOffice® AWARD competition. Eurocres ActiveOffice® AWARD rewards and certifies product solutions for a healthy workplace.

Main factors for the award are creative-, health- and motion-promoting product solutions for working environments as well as products that are fun and appealing to use. Vetrospace's are designed to fulfill these requirements to the fullest extent. All Vetrospace products include groundbreaking technologies that purify over 90% of impurities and harmful microbes from the air and yet they remain easy and comfortable to use.

Vetrospace has also gained notable recognition from the Archiproducts competition. VetroSpace has been selected as Archiproducts Design Selection 2018 for being an example of excellence, quality and innovation.
