

MEDICA 2019

The European launch of Vetrohealth antiviral, antimicrobial, clean-air, soundproof pods will take place at MEDICA, the world's largest event for the medical sector.

The exhibition will take place between the 18th and 21st of November in Dusseldorf, Germany. Medica is the largest medical trade fair in the world and has attracted more than 5,100 exhibitors from 70 countries. Leading individuals from the fields of business, research and politics, along with thousands of international experts and decision-makers from the medical sector will be present. We welcome you to visit us at our stand in hall 15, stand J26, to experience the unique Vetrohealth effect and to see how we can help you build the world's safest healthcare.

If you'd like to arrange a meeting with us beforehand, please feel free to contact us.
