

New colors!

VETROSPACE is COLORSPACE...

You probably know that colors are electromagnetic vibrations, waves that affect muscle and brain activity as well as the nervous system. Let's give colors the power they deserve. At Vetrospace, we ensure the technical aspect, providing an interference-free and safe environment that guarantees pleasant and efficient working conditions.

Choose a suitable color combination from our new trend colors or from our updated standard color selection!

Exterior upholstery: Low-Pressure Laminate Durable finished surface. Good moisture resistance and easy to keep clean. Cleaning: Wipe the surfaces with a damp cleaning cloth. If necessary, use a mild all-purpose cleaner. Finish with a microfiber cloth if needed.
 Manufacturers: Koskisen levyteollisuus (FSC, PEFC) Fritz EGGER GmbH & Co. OG (FSC, PEFC)

Interior upholstery: Acoustic ECOfelt Felt A natural material with excellent sound absorption. Durable, with a surface that warmly reflects light and creates a cozy atmosphere. 90% natural wool, 10% polyester. 100% recyclable material. Cleaning: Vacuum or lightly wash with water. If detergent is needed, use one suitable for wool.
 Manufacturer: Slalom (Greenguard, Greenguard Gold)

Aluminum Frames: The lightness, strength, and wear resistance of aluminum make it an exceptional material for glass and door frames. Aluminum profiles are also corrosion-resistant and 100% recyclable. The profiles are surface painted with matte RAL shades. Cleaning: Wipe the surfaces with a damp cleaning cloth. If necessary, use a mild all-purpose cleaner. Finish with a microfiber cloth if needed.
 Manufacturer: Mäkelä Alu Oy (REACH, ROHS)

Floor: Commercial Textile Carpet The durable textile carpet provides excellent sound absorption for the space. The carpet feels comfortable underfoot and works well under wheeled office chairs. It can also be replaced if necessary. Cleaning: Vacuum the floor using an attachment designed for textile coverings. For stains, use a cleaner specifically for textile floors.
 Manufacturer: Tapibel (M1)
